Siblings And/Or
Campers Attending
Both Sessions)

Coaches Corner...

The Camp Director is Bill Buscetto, a member of the CT Association of Athletic Directors and CT High School Coaches Association. Bill was an All-American catcher at the University of New Haven, where he led UNH to the Division 2 College World Series. As a senior he won the New England Collegiate Conference batting title with a .404 average. In 2003 Bill was inducted into the University of New Haven Athletic Hall of Fame, as well as being inducted into the St. Bernard Athletic Hall of Fame in 2010.

Staff Includes:

Joe Funaro - Coach Funaro was an All-American baseball player at Eastern CT State University, and later went on to play 6 seasons of professional baseball in the Florida Marlins organization. Joe reached the AAA level and played in Major League Spring Training games during his final year, retiring with a professional average over .300. In High School, Joe finished second in the prestigious All Connecticut Conference Player Of The Year balloting, which is a tremendous accomplishment.

Isaak Lazarou - Coach Lazarou serves as our Director of Player Development at Batter Up and oversees all player trades and transactions each week. Coach Laz does an incredible job ensuring all of the teams are as fair as possible, while keeping all teams under the BUP salary cap. A proud native of Greece, Isaak is one of the all time great players in New London High School and Avery Point Baseball History.

JJ Koning - One of the most clutch performers in CT High School Baseball history, Coach Kones had the game winning hits in back to back ACC Championship Games in 1990 and 1991. JJ also belted a long grand slam deep into the trees at Mitchell Woods back in 1986 off of Coach Lazarou in a District 10 Little League matchup. Coach Kones went on to star at Uconn Avery Point, where under his guidance and tutelage future major leaguer John McDonald was able to flourish... At least according to JJ.

Billy Buscetto Jr. - In high school Billy was an All Area, All Conference and All State shortstop at Old Lyme. In college at Western CT, he was selected as an Little East All Conference second baseman, while also being named First Team All League and All Star in the Virginia Beach Summer Collegiate Baseball League. Billy is in charge of all defensive drills at Batter Up, and helps coordinate team selections with Coach Lazarou. Billy is currently a certified personal trainer, as well as teaching private baseball lessons.

The Staff will also include many current standout college and high school players and coaches from Eastern Connecticut.
